FIVE EXCLUSIVITY PROTECTION CRITERIA

At the Toronto conference in April 2002 a decision was taken, and agreed upon by the members, to introduce certain criteria which, if met by members, will ensure that they keep the exclusive rights to represent the GFG in their territory. If these criteria are not satisfied, another member may be sought for that territory.

1. The member must attend all GFG meetings required by their membership status.
2. The member must stay current on all GFG invoices i.e. none unpaid over 90 days.
3. The member must have no offices outside their official location / territory.
4. The member must not be a member of another network.
5. The member must keep other GFG members satisfied with regard to volume and quality of work, to avoid having 5 GFG members seek another agent in their area.

By introducing these measures, the Board hope to expand the membership and create more business between members.
